Dear Len

**Sponsorship Agreement – Multiple Sclerosis Australia and Snacko Pty Ltd
(Stacks of Snacks)**

Multiple Sclerosis Australia would like to take this opportunity to record our sincere thanks to Stacks of Snacks and its franchisees for their long term support of Multiple Sclerosis Australia and Australians affected by multiple sclerosis.

Stacks of Snacks has been a supporter for Multiple Sclerosis Australia for over 10 years. We are very grateful, not only for the financial support provided to support our programs and services offered to people with MS, but also for the role that Stacks of Snacks has played in raising community awareness within Australia of multiple sclerosis. The unique operations of your organisation and the efforts of your franchisees have taken the MS Australia brand and message into thousands of workplaces and shop counters around Australia.

We are also grateful for the additional prominence our cause has received through information about our organisation and multiple sclerosis being displayed prominently on the Stacks of Snacks website.

Finally, we appreciate and acknowledge that the decision to finalise the Stacks of Snacks was reached amicably by mutual agreement. Once again, we thank you for your support of Multiple Sclerosis Australia and Australians with multiple sclerosis, and look forward to working with you until the conclusion of the sponsorship arrangement.

Yours sincerely

Andrew Long
