Directors' Report

Principal Activities

The principal activities of Multiple Sclerosis Australia are:

- i) to provide assistance to people who have been diagnosed with Multiple Sclerosis and other chronic, degenerative, neurological diseases. This assistance will be provided to:
 - (a) people who have been diagnosed with Multiple Sclerosis and other chronic, degenerative, neurological diseases, and their families and carers, to assist people who have been diagnosed to access and participate in, as far as they are able, all facets of life and to remove barriers that prevent them from enjoying equal access, opportunities and participation within the community; and
 - (b) Members and other organisations with similar purposes;
- ii) to support research into the cause, cure, effects and treatments of Multiple Sclerosis and other chronic, degenerative, neurological diseases, including the incidence, prevalence, economic, social and other effects of Multiple Sclerosis and other chronic, degenerative, neurological diseases on people and their Carers affected by these diseases; and
- to provide and engage in education of the public and members of Parliaments in the effects of Multiple Sclerosis and advocate on behalf of people affected by Multiple Sclerosis.

Auditor's Independence Declaration

The auditor's independence declaration is included on page 6.

Income and property

The company's constitution specifically prohibits the payment of its income or property directly or indirectly by way of dividend bonus or otherwise to members of the Company.

Review of Operations

The company and consolidated entity continued to pursue its principal activities throughout the year.

The company recorded a loss of \$12,218 (2014: loss of \$134,359) for the year. The consolidated entity recorded a surplus of \$1,071,905 (2014: surplus of \$936,724) for the year.

Changes in State of Affairs and Likely Developments

In the opinion of directors, there were no significant changes in the affairs of the consolidated entity that occurred during the financial year other than as reported herein.

Subsequent Events

There has not been any matter or circumstances that have arisen since the end of the financial year which significantly affected or might significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in subsequent financial years.

Directors' Report

Indemnification and Insurance of Officers and Auditors

The company has agreed to indemnify all the directors against all liabilities to another person (other than the company or a related body corporate) that may arise from their position as directors of the company, except where the liability arises out of conduct involving a lack of good faith. The agreement stipulates that the company will meet the full amount of any such liabilities, including costs and expenses.

Since the end of the previous financial year the company has paid insurance premiums in respect of directors and officers liability and legal expenses insurance contracts for current directors and officers. The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium paid.

The company has not otherwise, during or since the financial year, indemnified or agreed to indemnify an officer or auditor of the company or of any related body corporate against a liability incurred as such an officer or auditor.

Signed in accordance with a resolution of the directors.

On behalf of the Directors

David Barnes President

The Board of Directors Multiple Sclerosis Australia Level 19, 100 Miller Street North Sydney NSW 2060

13 September 2015

Dear Directors

Multiple Sclerosis Australia

In accordance with Subdivision 60-C of the Australian Charities and Not-for-profits Commission Act 2012, I am pleased to provide the following declaration of independence to the directors of Multiple Sclerosis Australia.

As lead audit partner for the audit of the financial statements of Multiple Sclerosis Australia for the financial year ended 30 June 2015, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements as set out in the Australian Charities and Not-for-profits Commission Act 2012 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

Yours sincerely

Independent Auditor's Report to the members of Multiple Sclerosis Australia

Report on the Financial Report

We have audited the accompanying financial report of Multiple Sclerosis Australia (the "entity"), which comprises the statement of financial position as at 30 June 2015, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity, comprising the company and the entity it controlled at the year's end as set out on pages 9 to 35. In addition, we have audited Multiple Sclerosis Australia's compliance with specific requirements of the *Charitable Fundraising Act 1991* for the year ended 30 June 2015.

The Directors' Responsibility for the Financial Report and for Compliance with the Charitable Fundraising Act 1991

The directors of the entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012 (Cth) (the ACNC Act) and for compliance with the Charitable Fundraising Act 1991. The directors are also responsible for such internal control as the directors determine is necessary to enable compliance with requirements of the Charitable Fundraising Act 1991 and the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the entity's compliance with specific requirements of the *Charitable Fundraising Act 1991* and the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the entity has complied with specific requirements of the *Charitable Fundraising Act 1991* and the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the entity's compliance with specific requirements of the *Charitable Fundraising Act 1991* and amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of non-compliance with specific requirements of the *Charitable Fundraising Act 1991* and material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control, relevant to the entity's compliance with the *Charitable Fundraising Act 1991* and preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Deloitte.

Inherent Limitations

Because of the inherent limitations of any compliance procedure, it is possible that fraud, error, or non-compliance with the *Charitable Fundraising Act 1991* may occur and not be detected. An audit is not designed to detect all weaknesses in Multiple Sclerosis Australia compliance with the *Charitable Fundraising Act 1991* as an audit is not performed continuously throughout the period and the tests are performed on a sample basis.

Any projection of the evaluation of compliance with the *Charitable Fundraising Act 1991* to future periods is subject to the risk that the procedures, may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Independence Declaration

In conducting our audit, we have complied with the independence requirements of the Australian Charities and Notfor-profits Commission Act 2012.

Opinion

In our opinion:

- (a) the financial report of Multiple Sclerosis Australia is in accordance with the Division 60 of the ACNC Act, including:
 - (i) giving a true and fair view of the company's and consolidated entity's financial position as at 30 June 2015 and of their performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards Reduced Disclosure Requirements and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013;
- (b) the financial report agrees to the underlying financial records of Multiple Sclerosis Australia, that have been maintained, in all material respects, in accordance with the *Charitable Fundraising Act 1991* and its regulations for the year ended 30 June 2015; and
- (c) monies received by Multiple Sclerosis Australia, as a result of fundraising appeals conducted during the year ended 30 June 2015, have been accounted for and applied, in all material respects, in accordance with the *Charitable Fundraising Act 1991* and its regulations.

Declaration by Principal Officer in Respect of Fundraising Appeals

- I, Deidre Mackechnie, interim Chief Executive Officer of Multiple Sclerosis Australia declare that in my opinion:
- the Statement of Other Comprehensive Income gives a true and fair view of all income and expenditure of (a) Multiple Sclerosis Australia with respect to fundraising appeals;
- (b) the Statement of Financial Position and accompanying notes give a true and fair view of the state of affairs with respect to fundraising appeals;
- the financial statements and associated records of Multiple Sclerosis Australia have been properly kept during (c) the year in accordance with the Charitable Fundraising Act 1991 (NSW) and the regulations; and
- the internal controls exercised by Multiple Sclerosis Australia are appropriate and effective in accounting for all (d) income received and applied by Multiple Sclerosis Australia from any of its fundraising appeals.

13 September 2015

Responsible Persons Declaration

The directors declare that:

- (a) In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as when they become due and payable;
- (b) in the directors' opinion, the attached financial statements and notes thereto are in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and the Charitable Fundraising Act 1991 (NSW), including compliance with accounting standards and giving a true and fair view of the financial position and performance of the company.

Signed in accordance with a resolution of the directors made pursuant to s.60.15 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Notes to the Financial Statements for the Year Ended 30 June 2015

1. Summary of Accounting Policies

Statement of Compliance

The financial report is a Tier 2 general purpose financial report which has been prepared in accordance with Division 60 of the Australian Charities and Not for Profits Commission Act 2012 and Australian Accounting Standards – Reduced Disclosure Requirements and complies with both other requirements of law and the Charitable Fundraising Act 1991 (NSW). Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS').

The financial statements were authorised by the Directors on the 13 September 2015.

Basis of Preparation

The financial report has been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars unless otherwise noted.

Adoption of New & Revised Accounting Standards

Standards and Interpretations affecting amounts reported in the current period

In the current year, the company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period.

Accounting Standards and Interpretations issued but not yet effective

At the date of authorisation of the financial statements, the potential impact of the new or revised Standards and Interpretations has not yet been determined, but is not expected to be material.

Notes to the Financial Statements for the Year Ended 30 June 2015

1. Summary of Accounting Policies (Cont'd)

Critical Accounting and Key Sources of Estimation Uncertainty

In the application of the company's accounting policies, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments made by management in the application of A-IFRS that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The accounting policies set out below have been applied in preparing the financial statements for the year ended 30 June 2015, and the comparative information presented in these financial statements for the year ended 30 June 2014.

Significant Accounting Policies

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other event is reported. The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Taxation

The company is an exempt body for income tax purposes under the provisions of Section 50-50 and Section 50-52 of the Income Tax Assessment Act (1997) and accordingly no provision for income tax or income tax expense has been made.

(b) Recoverable Amount Of Non-Current Assets

Plant and equipment are brought to account at cost less, where applicable, any accumulated depreciation and impairment. The carrying amount of plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amount. If the carrying amount of the non-current assets exceeds the recoverable amount, the asset is written down to the lower amount.

(c) Depreciation

Depreciation is provided on plant and equipment and is calculated on a straight line basis so as to write off the net cost of each asset over its expected useful life commencing from the time the asset is held ready for use. The depreciation rates used from each class are as follows:

	2015	2014
	%	%
Furniture & Fittings	10	10
Computer equipment	33	33

Notes to the Financial Statements for the Year Ended 30 June 2015

1. Summary of Accounting Policies (Cont'd)

(d) Receivables

Trade receivables and other receivables are recorded at amortised costs less impairment.

(e) Payables

Trade payables and others are recognised when the entity becomes obliged to make future payments resulting from the purchase of goods and services.

(f) Provisions

Provisions are recognised when the entity has a present obligation, the future sacrifice of economic benefits is probable, and the amount of the provision can be measured reliably.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is probable that recovery will be received and the amount of the receivable can be measured reliably.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

(g) Revenue Recognition

Grants from Members

Grants are recognised as they accrue with the agreement of the relevant Member.

Donations/sponsorship - unspecified and non-reciprocal

Donations and sponsorships are contributions and are recognised when the entity obtains control, it is probable that the economic benefits will flow and the contribution can reliably be measured. This is normally on a cash basis.

Donations/sponsorship - specified and non-reciprocal

Donations/sponsorships are recognised when the entity obtains control, it is probable that the economic benefits will flow and the contribution can reliably be measured. This is normally on a cash basis. Donations/sponsorships received that are tied to a particular activity or provided for a specified purpose are spent in a manner consistent with the donor's intention.

Program Funding / Reciprocal Sponsorship

Program funding (including Government funding) is recognised with reference to the terms of the contract. Where funding is received of a reciprocal nature the funding is treated as revenue under AASB 118 and brought to account on a stage of completion basis. Non-reciprocal contributions are accounted for under AASB 1004 and recognised as revenue when control passes.

Interest Revenue

Interest revenue is recognised on a time proportionate basis that takes into account the effective yield on the financial asset.

Notes to the Financial Statements for the Year Ended 30 June 2015

1. Summary of Accounting Policies (Cont'd)

(h) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i. where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the Australian Taxation Office ("ATO") is included as a current asset or liability in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

(i) Borrowings

Borrowings are recorded initially at fair value, net of transaction costs. Subsequent to initial recognition, borrowings are measured at amortised cost with any difference between the initial recognised amount and the redemption value being recognised in profit and loss over the period of the borrowing using the effective interest rate method.

(j) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, cash in banks and investments in money market instruments, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Statement of Financial Position.

(k) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities recognised in respect of short-term employee benefits, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of long term employee benefits are measured as the present value of the estimated future cash outflows to be made by the Company in respect of services provided by employees up to reporting date.

(j) Intangibles

Intangible assets with finite lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Intangible assets comprise of software assets. Amortisation is calculated on a straight-line basis over 5 years.

Notes to the Financial Statements for the Year Ended 30 June 2015

1. Summary of Accounting Policies (Cont'd)

(k) Impairment of assets

Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date.

(I) Available-for-sale financial assets

Listed preference shares held by the company that are trade in an active market are classified as available-for-sale and are stated at fair value. Fair value is determined in the manner described in Note 8. Gains and losses arising from changes in fair value are recognised in other comprehensive income and accumulate in the investments revaluation reserve, with the exception of impairment losses, interest calculated using effective interest method, and foreign exchange gains and losses on monetary assets, which are recognised in the statement of comprehensive income. Where the investment is disposed of or is determined to be impairment, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to the statement of comprehensive income.

Dividends on available-for-sale equity instruments are recognised to the profit and loss statement when the Company's right to receive the dividends are established.

(m) Available-for-sale reserve

The available-for-sale reserve arises on the revaluation of available-for-sale financial assets. Where a revalued financial asset is sold that portion of the reserve which relates to that financial asset, and has been effectively been realised, is recognised in the statement of comprehensive income. Where a revalued financial asset is impaired that portion of the reserve which relates to that financial asset is recognised in the statement of comprehensive income.

(n) Leases

Leases in which significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments under operating leases (net of any incentives received from the lessor) are charged to the statement of comprehensive income on a straight line basis over the period of the lease.

(o) Short term investment

Short term investment represents term deposits held with banks with short to medium term maturity periods. The investments are measured at amortised cost using effective interest method, less any impairment.

Notes to the Financial Statements for the Year Ended 30 June 2015

Net income	629,790	198,815		
	023,730			

(c) Administration expense

2.

The increase in administration expenditure in the financial year 2015 was mainly due to the increase in staff costs, IT services (with the introduction of the new accounting software & database maintenance cost), new office rental cost and a one-off event cost.

(d) Research administration expenditure

A reduction in expenditure in the financial year 2015 was mainly due to expenditure incurred in financial year 2014 not repeated in 2015: Neuroimaging workshop and PR Advertising. PR Advertising was treated as part of administration expenditure in financial year 2015 hence adding to the increase from financial year 2014 to 2015.

	Balance at the beginning of the year	, e	, 5	(-	9
	Valuation loss	45,534	/ -	-	<u>=</u>
	Balance at end of financial year	45,534			

The available-for-sale reserve arises on the revaluation of available-for-sale financial assets. Where a revalued financial asset is sold that portion of the reserve which relates to that financial asset, and has been effectively been realised, is recognised in the statement of comprehensive income.

14. Members' Guarantee

The company is limited by guarantee. If the company is wound up, the Constitution states that each member is required to contribute a maximum of \$50 (2014:\$50) towards meeting any outstanding obligations of the Company.

At 30 June 2015 the number of members was 5 (2014: 5).

Change in Membership

Multiple Sclerosis Research Australia Limited acts as the research arm of Multiple Sclerosis Australia to accelerate research that contributes to the worldwide effort to solve MS. It was established in 2003 to facilitate MS research at research institutes and universities around Australia and overseas, and raise funds as required. This research is chosen based on scientific governance principles, independently from Multiple Sclerosis Australia's members.

Multiple Sclerosis Australia is the sole member of Multiple Sclerosis Research Australia Limited. Multiple Sclerosis Research Australia Limited retains its own Board, CEO and staff to ensure continuing focus on funding the best Australian MS research, advocacy of MS research and strong fundraising governance principles. The activities of Multiple Sclerosis Research Australia Limited have been consolidated into Multiple Sclerosis Australia's financial statements in the year.

Notes to the Financial Statements for the Year Ended 30 June 2015

19. Financial Instruments

(a) Capital Risk Management

The capital structure of the company is funded by cash and cash equivalents and retained earnings.

(b) Financial Risk management objectives

The Directors manage the financial risks relating to the operations of the company.

The company does not enter into or trade financial instruments for speculative purposes. The company does not use derivative instruments.

The company's activities expose it primarily to the financial risk of changes in interest rates.

(c) Credit Risk Management

Credit risk refers to the risk that counterparty will default on its contractual obligations, resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of non-performance of that company. The company has adopted the policy of only dealing with credit worthy counterparts. The company does not have a significant credit risk exposure to any single counterparty or any group of counterparts having similar characteristics. The carrying amount of financial assets recorded in the financial statements, net of any allowances for losses represents the company's maximum exposure to credit risk.

(d) Fair Value of Financial Instruments

The directors consider that the carrying amounts of financial assets and financial liabilities recorded on the financial statements approximate their fair values.

Some of the company's financial assets are measured at fair value at the end of the reporting period. The following table gives information about how the fair value of these financial assets are determined:

Financial asset	Fair val	ue as at	Fair value	Valuation technique and
	30/6/2015 \$	30/6/2014 \$	Inclarony	key inputs
Available-for-sale non derivative financial asset	953,632	t e t	Level 1	Quoted bid prices in an active market

Further information on available-for-sale financial asset is disclosed in Note 8.

20. Economic Dependence

The company is dependent on its income by way of grants from its state based members.
